CAROL SERVICE next Sunday 19th December at 10.30am

Note from the minister: I am aware that new "organisations" exist that have not been included in the readings for the Carol Service. In the light of this, I have drawn up a list of the "organisations" and, as it would not be feasible to include all organisations in one Carol service, they will be involved on a rota basis. This means that, in order to include others, some organisations that "traditionally" have read will not be involved in reading next Sunday.

Bible Reading Notes for 2011 are now available in the vestibule for those who ordered them

Note from Church Treasurer:

Your continued support to the running costs of the Church are very much appreciated. The year end is fast approaching and we have strict deadlines for reporting our accounts to Church House, so FWO or Contributions to the Property fund to be included in the Annual Report for 2010 should be paid in no later than the 2nd January 2011. Contributions received after that date will be included in the Report for 2011.

Treasurers of organisations are reminded that annual accounts to 31st December 2010 are required as soon as possible. The year end reporting timetable for Church House is very tight and the Church books cannot be completed until the last accounts are submitted. Your co-operation in submitting accounts promptly would be appreciated.

I will be happy to receive accounts by email if that helps. email address raphendren@talktalk.net

The envelopes for the Presbyterian Orphan & Children's Society have been made available in the pews and in the vestibule. It would be much appreciated if these could be returned as soon as possible please.
